

C0330, C0530, C0630, C0830, C1030 Service Parts

This part list contains the service parts for the air cooled, water cooled and remote air cooled C0330, C0530, C0630, C0830, C1030 ice machines.

Changes:

- Panels and the C0530 air cooled condenser in late 2009. Those are designated as B series units.
- Top panel trim strips were removed from production in mid 2011.
- The C0530 changed to a C series in May 2011. The change was to a new compressor and TXV.
- The C0330 changed to a C series in December, 2011, it uses the same compressor as C0530 C.
- Models CB0330, CB0530, CB0630, CB0830 and CB1030 included as standard the KVS and KSBUN.
- Fan brackets changed on some models in March 2013.
- Prodigy Plus D Series production began in late 2014.

To avoid costly and time consuming errors, double check the model and voltage before ordering a part. Avoid ordering the part number printed on the part, it is a production part number. Service part numbers can be different. Look up the part number in the parts list.

Note: These abbreviations are used in this list:

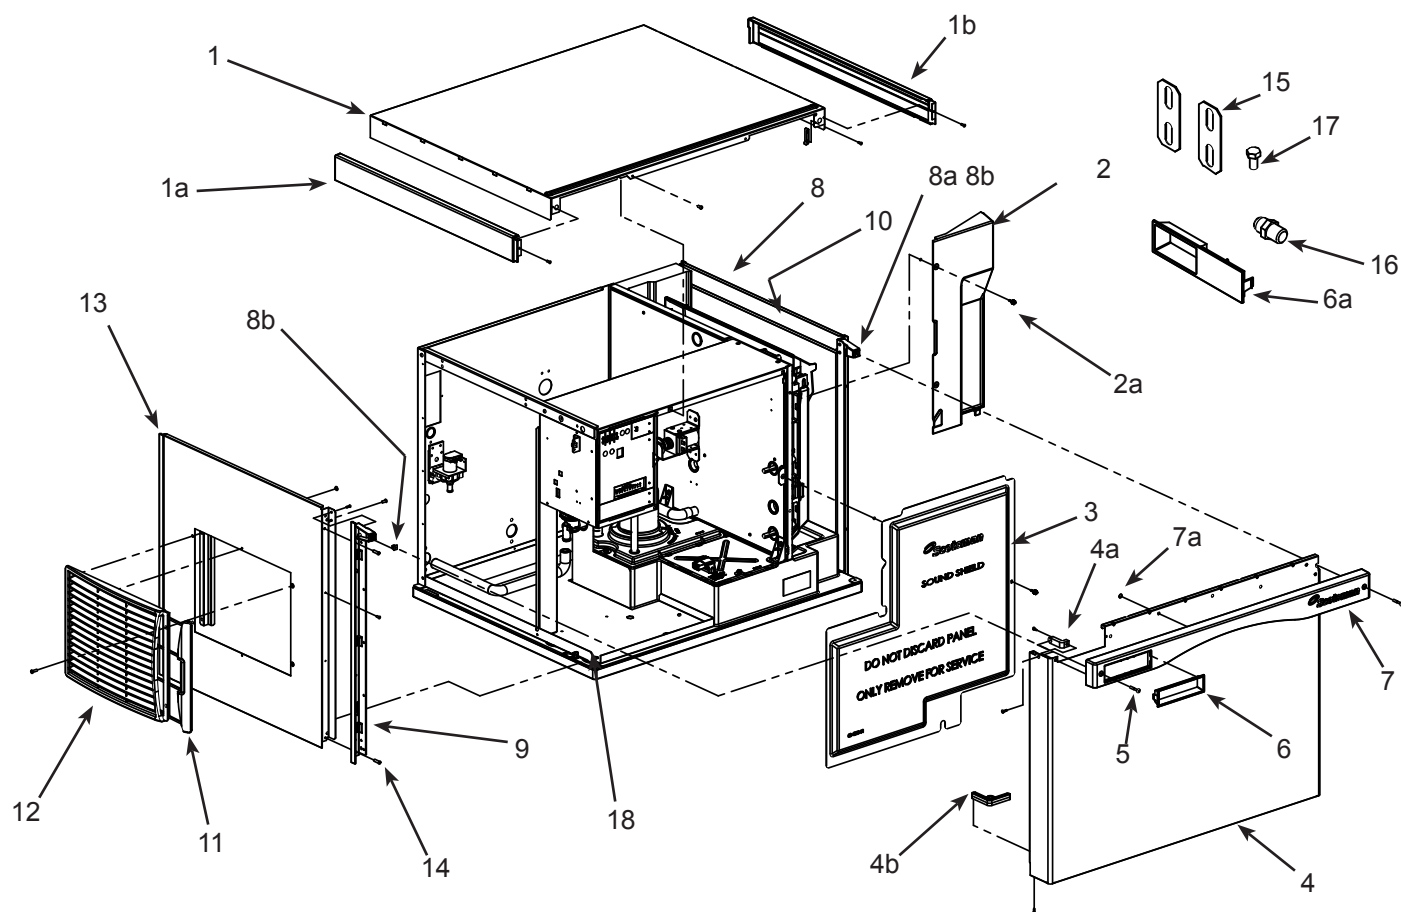

- AC = Air Cooled
- WC = Water Cooled
- RC = Remote Cooled
- HGV = Hot Gas Valve
- TXV = Thermostatic Expansion Valve
- Volt = Voltage
- Sol Vlv = Solenoid Valve
- Hdwe = Hardware
